

Parental Engagement

In Reception, teachers deliver a Sounds Write inspire session, to introduce parents and carers to phonics. Also, throughout Reception and Key Stage 1, we hold workshops regularly to show how they can help their children read at home. We would like them to help their children, but we also recognise that some are not well-placed to do this. If they don't, their children won't suffer; it is our job to teach their children to read. We upload videos on Class Dojo and Twitter to support parents based on the needs of each cohort to give parents the subject knowledge and understanding needed to support their children at home.

Parents / carers can also access free online training by clicking the link below with no prior knowledge needed.
