

If you are in school this week, then your 3 day home learning is outlined below

Day 1 -

<https://www.pobble365.com/the-hidden-temple/>

Question time!

What does 'trepidation' mean? Why might they be feeling it? Why is the floor green?

Who are 'the group'? Why are they in the jungle?

What does 'curiosity and desperation got the better of them' mean?

Would you venture into the temple?

What might they find inside?

Do you think all of the group want to go in?

Geography - Complete the activities on sustainability

<https://www.bbc.co.uk/bitesize/topics/zx72pv4>

Maths Problems

Match the planets with their moons

Reading - 1 Reading Plus story but if you can't access that then read a book/magazine/website for 15 minutes

Maths Activity - 15 minutes TT Rockstars but if you can't access that, then test yourself on your tables. Make 2 piles of cards numbered 1-12. Draw a number from each pile and multiply together.

PE Routine - a 15 minute exercise routine - can you make each day different?

Sentence challenge!

Can you make a list of feelings to describe how you would be feeling before entering the temple?

Could you start a sentence with 1,2 or 3 of these emotions?

E.g. Nervous and shaking, I stepped through the doorway, preparing myself for the worst.

French - Play matching games - numbers and colours

<http://www.crickweb.co.uk/ks2french.html>

Maths Problems

1) Match up the correct boxes to make correct statements.

There are 100 years in a

There are 1000 years in a

There are 10 years in a

millennium.

decade.

century.

2) Complete these mathematical facts:

To find the number of decades, we divide by _____.

To find the number of centuries, we divide by _____.

To find the number of millennia, we divide by _____.

3) How many decades are there in...

a) 50 years? _____

d) 1870 years? _____

b) 740 years? _____

e) 9360 years? _____

c) 200 years? _____

Reading - 1 Reading Plus story but if you can't access that then read a book/magazine/website for 15 minutes

Maths Activity - 15 minutes TT Rockstars but if you can't access that, then test yourself on your tables. Make 2 piles of cards numbered 1-12. Draw a number from each pile and multiply together.

PE Routine - a 15 minute exercise routine - can you make each day different?

Day 3 -

Complete the Reading Comprehension - Golden Temple

Find out more about Sikh places of worship

<https://www.bbc.co.uk/bitesize/clips/zkr87ty>

<https://www.bbc.co.uk/bitesize/clips/zd4wmp3>

Science - Watch first three clips about burrowers - Design a poster to encourage everyone to wash their hands

<https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-the-burrowers/z74kgwx>

Maths Problems

4) How many centuries are there in...

a) 300 years? _____

d) 1800 years? _____

b) 2200 years? _____

e) 9300 years? _____

c) 9000 years? _____

5) How many millennia are there in...

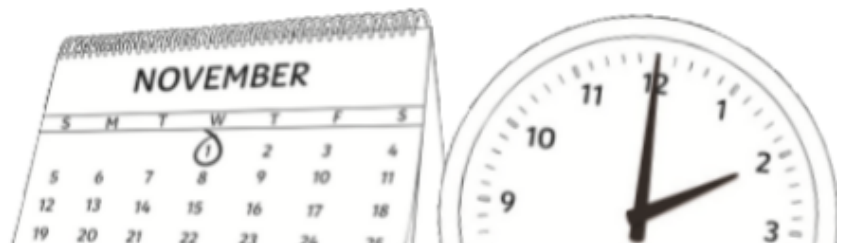

a) 9000 years? _____

d) 1000 years? _____

b) 4000 years? _____

e) 10 000 years? _____

c) 6000 years? _____

Reading - 1 Reading Plus story but if you can't access that then read a book/magazine/website for 15 minutes

Maths Activity - 15 minutes TT Rockstars but if you can't access that, then test yourself on your tables. Make 2 piles of cards numbered 1-12. Draw a number from each pile and multiply together.

PE Routine - a 15 minute exercise routine - can you make each day different?

If you are not in school this week, then your home learning is the 3 days outlined above and then the 2 days detailed below (this is the learning that we will be completing in school).

Day 1 - Viking Saga Songs - Music and English

Listen to the story Thor and the Giants
Parts 2 and 3.

Enjoy singing Thor on
a journey

Thor has been on an
exciting journey -
can you remember all
the places visited?

Choose one of these

places or another Viking kingdom and create
a brochure to advertise this location.

Reading - 1 Reading Plus story but if you can't access that then read a book/magazine/website for 15 minutes

Maths Activity - 15 minutes TT Rockstars but if you can't access that, then test yourself on your tables. Make 2 piles of cards numbered 1-12. Draw a number from each pile and multiply together.

PE Routine - a 15 minute exercise routine - can you make each day different?

<https://www.bbc.co.uk/teach/school-radio/music-ks2-viking-saga-songs-5-thor-on-a-journey/zb4cgwx>

PHSE -

<https://www.bbc.co.uk/teach/class-clips-video/pshe-ks2-be-active/zfndjvh>

How does being active have a positive impact on wellbeing?

Explore how music helps us to keep active. What types of music inspire you to move your body?

Maths Problems

a) How many decades are there in...

2340 years? _____

87 020 years? _____

b) How many centuries are there in...

98 000 years? _____

808 500 years? _____

c) How many millennia are there in...

95 000 years? _____

103 000 years? _____

$4500 + \underline{\hspace{2cm}} = 45$

$\underline{\hspace{2cm}} + 10 = 608$

$805\,000 + 1000 = \underline{\hspace{2cm}}$

Day 2 - Viking Saga Songs - Music and English

Listen to the story Apples of Iduna Parts 1 and 2.
Enjoy singing apples of Iduna.

Iduna is the goddess of spring and the wife of **Bragi**, the god of poetry.

Write a poem in the role of Bragi to describe his wife and her garden.
Copy your finished work using your best handwriting

Reading - 1 Reading Plus story but if you can't access that then read a book/magazine/website for 15 minutes

Maths Activity - 15 minutes TT Rockstars but if you can't access that, then test yourself on your tables. Make 2 piles of cards numbered 1-12. Draw a number from each pile and multiply together.

PE Routine - a 15 minute exercise routine - can you make each day different?

History

WALT: Understand how knowledge of the past is constructed from a range of sources

Find out about Viking longships

<https://www.bbc.co.uk/bitesize/topics/ztyr9j6/articles/zw3qmp3>

Use the website to find out about the parts of a longship

<https://www.bbc.co.uk/bitesize/topics/ztyr9j6/articles/zy9j2hv#z96f34j>

Sketch the dragon head

Maths Problems

Using the clues below, can you work out the ages of these new planets?

Vesta is 10 times younger than Athena.

Athena is half the age of Vulcan.

Juno is 100 times younger than Athena.

Ceres is 1000 times younger than Vulcan.

Vulcan is 608 000 years old.

Apollo is 1000 times younger than Athena.
