

Spring Term Homework – Year 3

Here is an exciting set of activities to help your child's learning 'stick' in their memory. Please complete two (or more) activities from each subject before we break up for Christmas, from the grid on page 1. This is not mandatory but will help your children to widen their knowledge around these subject areas and have some fun too!

Pages 2 has this term's spellings. They are there for you to use to support your child. You will know what is coming up and what we have already taught. Each week, your child will be tested on 5 words. If your child is not working on the words on this list, your child's class teacher will have provided something different to help them.

Subject area	Activities
Speaking, Listening and Writing	<ol style="list-style-type: none">1. Can you make a leaflet about the UK including the 4 countries?2. Can you create your own VIPERS questions about your favourite book?
Problems, Science and Maths	<ol style="list-style-type: none">1. In maths we are focusing on the time can you record your daily routine noting down the time or drawing it on a clock?2. Write out your 3, 4 and 8 times tables on a nice poster. Can you test someone at home on your facts?
Art and Design	<ol style="list-style-type: none">1. In science we are exploring light could you create your own shadow picture?
Constructing and Creating	<ol style="list-style-type: none">1. Can you make your own model of a place you have been before? This could be a recreation of the seaside, the park, forest!

Marsh Green Primary School – Homework Grid
