

History Day- 06.12.24

Today in Year 1 Wagtails we have been learning about the History of Santa through out the years.

We found out that in the past Santas clothes used to be green and in the present they are red and in the future we predicted that his clothes will be Rainbow!

We designed a sleigh we think Santa might have in the future, we then built our sleigh using different materials we had collected. We said that the sleigh will be colourful, sparkly and fast it would even turn into a party bus with music playing.

We found out that Santa had different names around the world such as: Father Christmas and St Nicholas.

Did you know that in other countries children leave out shoes or boots for Santa to fill with gifts instead of stockings?

Achieve, Believe & Celebrate
"I will be the best that I can be"
