

Art- 20.11.24/ 4.12.24

In Year 1 Wagtails we have had a special visitor from Shervington High School called Miss Horwood. Miss Horwood came to show us how to use materials to create different types of textures. In our first lesson we used paint and leaves to print on to paper.

In our second lesson we used our fine motor skills to rip up tissue paper and we then added this to our work that we created in lesson 1 to make our very own leaf man.

Achieve, Believe & Celebrate
"I will be the best that I can be"
