Amazon Young Readers

Year 3 Starlings

Year 3 were incredibly lucky to have a visit from amazon who provided us with a fabulous morning!

First we had a look into the history of amazon did you know the first thing ever sold on amazon was a book? Well we found this and much more out today! We then looked at a book called The Good Egg we recommend you read we loved it! After that we had to create our own packaging to protect a real egg! We worked in teams to find out what would be the best materials and then carried out a fair test to make sure our eggs didn't break when dropped. Out of 6 groups only one egg cracked making Starlings the winners!

To end our wonderful session Amazon then provided us all with our very own book each that we could pick and take home.
