## Achieve, Believe and Celebrate

Thursday 12th February 2026

### Curriculum Enrichment

Within school, your child takes part in many different activities relating to the curriculum and also to celebrate many other events throughout the year, including trips and visitors.

We try our best to showcase as many of these as possible, by posting on our Enrichment pages on the website.. We also have a section on our class webpage to give an overview across the school of the types of things that children are involved in.

A number of classes have a welcome reading session at the start of the day where parents can come in and work alongside their child. Our children love this and it helps them feel their work is really valued. Thank you to all those who have been able to attend.

A number of other classes have their classrooms open at the end of the day to support parents to listen to their child read. This helps to alleviate any pressures at home. It seems to be working well for those who have stayed behind to try it.

Reading Bags in  
school every day

PE Kits  
Need to be worn on  
your child's PE day

Snack/Toast Money  
To be paid for the next  
half term via Arbor by  
Friday 20th February

### Assemblies

As you know, every Friday we hold our 'Best Seat In the House' assembly to celebrate children trying their best. We would love to invite parents to watch their child be presented with their certificate in assembly. In order to ensure this happens, you will receive a DoJo message on a Wednesday to enable you to join the assembly on the Friday. If you get a notification, please keep this as a surprise for your child.

### Uniform

A few reminders about school uniform. Our uniform is a yellow T-shirt, green sweatshirt or cardigan and grey trousers/skirt or pinafore. Please ensure your child wears a complete uniform, including black shoes. We understand how frustrating it can be when children lose their items of clothing, so please make sure they have their names inside each item so they can be returned. For safety reasons **jewellery is not allowed**, other than a watch and stud earrings. Thank you for your support.

### Governors

We are currently up to date with our parent governors. These are Ms Meagan Glynn and Mr Mark Woodcock. Both are regularly on our playgrounds before and after school. If you wish to speak with either of them outside of these times, or do not know who they are, please ask at the school office and we will put you in touch.

### Half Term

I wish you a restful half term. Please remember, the children return to school on Monday 23rd February 2026.

### **Safety of Children**

Please help us keep all children safe by not allowing your child to ride their bike or scooter within the school grounds. Under no circumstances should adults ride a bike or scooter on our playgrounds or paths. Please also leave your pet dogs at home as we cannot be sure they will be calm around our children.

If you have any worries or concerns about any child please speak with a member of staff or one of our Designated Safeguarding Leads:

Mrs Leigh  
Mrs Whittle  
Mrs Heaton  
Mrs Hamilton  
Mrs Green  
Mrs J Hervey  
Mrs Lowery (For after school)

### **Safer Internet Week**

Safer Internet Week was between 9th February—13th February 2026 with the theme: **"Smart Tech, Safe Choices – Exploring the safe and responsible use of AI."**

Many of our children have access to a range of social media and connect with others through games and social chat.

We need to ensure that all interactions on line are with people they know and trust.

Our School Council, along with Mrs Humphries and Mrs Winstanley created a wonderful reel, which can be seen on our Facebook page and Website, to help inform other children and parents.

The UK Safer Internet Centre Website has a range of educational resources, films and quizzes to support schools and parents/carers with keeping our children safe online. Please take a look.

[Homepage - UK Safer Internet Centre](#)

Please also chat to your child about staying safe on-line and being aware of who they interact with when using different sites.

Please feel free to chat with school staff for further advice.

## Diary Dates

### February

Monday 23rd—Return to school

Friday 27th—Y5 to Haigh Hall
