**Year 6 is an exciting, fun and challenging year! The children are expected to take a more mature and independent approach towards learning.**

**These skills are developed throughout the year during a variety of tasks and lessons and provide the key foundations that prepare our children for the challenges of secondary school. You should find out your child's secondary school on 1st March and then there will be lots of preparations ahead!**

**Toast is 50p per week, payable half termly online**
