

Autumn Term Homework

Here is an exciting set of activities to help your child’s learning ‘stick’ in their memory. Please complete two (or more) activities from each subject before we break up for Christmas, from the grid on page 1.

This is not mandatory but will help your children to widen their knowledge around these subject areas and have some fun too!

Please aim to read at least 3 times per week and sign your child’s planner.

Can your child’s class win the reading challenge?

Subject area	Activities
Speaking, Listening and Writing	<p style="text-align: center;">Reading</p> <p style="text-align: center;">Visit the library and choose yourself a book. Create a book review and share it with your class.</p> 
Problems, Science and Maths	<p style="text-align: center;">Key Instant Recall Facts (KIRFS)</p> <p style="text-align: center;">Practice your number bonds to 20. What is the highest score you can get?</p> 

Art and Design

Art

Go on an Autumn walk with an adult, collect some natural objects, create an arrangement, and take a picture to send to us.
