

Year 2 Newsletter

Spring Term

English

In English we are learning all about Greta Thunberg and the climate, writing persuasive letters to stop deforestation. We will continue to practice our reading skills as part of our whole class reading,

Maths

We start the term looking at money and counting amounts. We will then move onto multiplication and division. We will need to use our 2s, 5s and 10s to help us!

Science + Geography

In Science we will be learning all about life cycles and habitats of different animals. In the Spring we will be learning all about what plants need to grow.

In Geography our focus this term is weather and how weather patterns change.

Other areas

In Computing we will discover how to take good photographs.

In PSHE we are looking at healthy lifestyles for both minds and bodies.

In R..E. we are learning all about Hinduism.

Key Information

- P.E. for all Year 2 is Friday morning.
- We will be having a special weather workshop in school in February.
- Reading at home needs to be 3 times per week.
