

Autumn Term Homework – Year 3

Here is an exciting set of activities to help your child's learning 'stick' in their memory. Please complete two (or more) activities from each subject before we break up for Christmas, from the grid on page 1. This is not mandatory but will help your children to widen their knowledge around these subject areas and have some fun too!

Pages 2 has this term's spellings. They are there for you to use to support your child. You will know what is coming up and what we have already taught. Each week, your child will be tested on 5 words. If your child is not working on the words on this list, your child's class teacher will have provided something different to help them.

Subject area	Activities
Speaking, Listening and Writing	<p>We are reading Alice's adventures in wonderland in class. Can you create a comic strip and create your own wonderful adventure?</p> <div style="display: flex; justify-content: space-around;">    </div>
Problems, Science and Maths	<p>In maths we are recapping the 2, 5 and 10 times tables. Play Hit the Button daily to get speedy with your times tables.</p> <p>https://www.topmarks.co.uk/maths-games/hit-the-button</p> 
Art and Design	<p>In Geography we are learning all about bees. Can you design your very own beehive? Where do bees live? What threats do they face? What do they need to survive?</p> <div style="display: flex; justify-content: space-around;">   </div>
Constructing and Creating	<p>We are learning about volcanic rocks in science, can you create your own model volcano? What does a volcano look like and what materials are you going to use to build your model?</p>
