

Marsh Green Primary School – Homework Grid

Autumn Term Homework – Year 4

Here is an exciting set of activities to help your child's learning 'stick' in their memory. Please complete two (or more) activities from each subject before we break up for Christmas, from the grid on page 1. This is not mandatory but will help your children to widen their knowledge around these subject areas and have some fun too!

Please aim to read at least 3 times per week and sign your child's planner.

Can your child's class win the reading challenge?

| Subject area | Activities |
|---------------------------------|--|
| Speaking, Listening and Writing | <ol style="list-style-type: none">1. Write a character description about an endangered animal of your choice. Use expanded noun phrases to add detailed description.2. Research the World Wildlife Foundation (WWF) Create a poster encouraging people to look after the environment and animal conservation.3. Create your own poem inspired by The Laws of the Jungle by Rudyard Kipling4. Write a letter to Mrs Leigh explaining how we can make our school eco-friendlier.5. Listen to sounds from the Amazon Rainforest, list the animals you think you can hear. |
| Problems, Science and Maths | <ol style="list-style-type: none">1. Times tables – collect a booklet, to work on a certain times table, from your class teacher.2. Design and carry out an experiment involving the three States of Matter.3. Build your own animal habitat in your garden (E.g. a bug hotel or a hibernation spot for hedgehogs) |
| Art and Design | <ol style="list-style-type: none">1. Take a sketchbook or some paper and draw or paint a local scene by the park, town centre or stadium.2.
