Reading is the **KEY** to learning

READING

Class Reading: Heroes of Troy, Percy Jackson, Charles Darwin

The children will continue to have a school reading and a library book. We also have reading sessions in school with the children studying a book in more depth.

The children are expected to read daily at home and they have new Reading Records which will help with this!

HAPPY READING!

PE

Monday and Thursday: Make sure that you wear your PE Kit to school for Rugby and Gym

Marsh Green hoodie, Marsh Green t-shirt, black/green shorts with black pumps/trainers. Alternative P.E. Kit - Plain black hoody, black joggers/leggings/shorts and plain white t-shirt.

Year 6 is an exciting, fun and challenging year! The children are expected to take a more mature and independent approach towards learning. These skills are developed throughout the year during a variety of tasks and lessons and provide the key foundations that prepare our children for the challenges of secondary school.

Maths : In Maths this term our work involves: Fractions, decimals and Percentages, Ratio and Algebra.

Quick recall of tables facts is still a key target.

English: We have Whole Class Reading, Grammar, Spelling and Handwriting lessons in addition to our English lessons. We will use our class novels to help us write a speech in character, create a diary entry, write instructions and use our science knowledge to write a biography and an explanation.
