January 2021

Dear Parents and Carers,

Firstly, I would like to congratulate you all on your wonderful efforts in supporting your children at this difficult time. The staff assure me that the vast majority of you have supported those children who need to work from home and have kept in regular contact with school. Even if your child cannot attend at this current time, rest assured that we are only ever a phone call away from help or support.

Secondly I would like to update you with our arrangements for ensuring children have access to a nutritious meal at this time. We tried hard to supply all children at home with a hot meal, at the beginning of January. Sadly, this only had a 10% take up. We then supplied food boxes but again this had a poor take up with only 30% of those eligible collecting their boxes. Therefore, because it is so important to us to still put the wellbeing of all our children first, we have decided to distribute vouchers. It is vitally important that school have an up-to-date email address for you to be issued with these.

Your ongoing support is very much appreciated and we are always delighted to see the work and activities your children have been getting on with at home. Please contact school if you have been left a message so that we can be reassured all is going well for you.

Hopefully we can all be together again soon but as Boris Johnson pointed out yesterday, this is likely not to be until after 8th March at the very earliest.

Yours faithfully
Mrs G Leigh
